UPDATE # 3 – APRIL 2023

Planning for the 2023 MG Safety Fast Run is progressing well. To recap, the 2023 Safety Fast Run will celebrate 100 years of MG and be based at **Stay Margaret River**. The event will be held over 2 days and 2 nights, being **Saturday 14th and Sunday 15th October**, with participants free on Monday 16th October to return home or explore the region further at their leisure.

The 2023 Safety Fast Run will formally commence on Saturday 14th October with **morning tea** from 9:30am at **Longriders Café** in **Dwellingup** for a 10:30am start. A direction sheet for the scenic route down to Margaret River, incorporating a **CWA lunch** in Boyanup, will be included in the 'goody bag' handed out at the Plate Presentation night, to be held on 4th October at the Windsor Hotel, so those who prefer to can join the convoy along the route. Sports Car Garage will again provide breakdown support on both days.

On Saturday evening the traditional **Theme Night** dinner dance will be held at Stay Margaret River. The theme, in keeping with celebrating the **100th Anniversary of MG**, will be **'The 1920s and all that jazz'** – think the Great Gatsby or the Cotton Club! Music will be provided by the same DJ who gave us such a great musical soundtrack at last year's Safety Fast Run.

On Sunday morning there will be an **Observation Run** conducted by the MGCC commencing from Stay Margaret River – not too early! This will finish at Rosa Brook Hall for a delicious **CWA lunch**, followed by a leisurely afternoon **Social Run** conducted by the MGOC. Both runs will be organised as relaxed and enjoyable scenic tours in the Leeuwin-Naturaliste area.

The **Presentation Dinner** will be held at Stay Margaret River on Sunday evening. This will be a convivial evening with delicious food and a cash bar.

Entries for the 2023 MG Safety Fast Run will open in May and will include regalia ordering as in previous years. The entry form will be available for download from the MG Car Club website.
