

MARGARET RIVER 2023

SPONSORS –The Sports Car Garage, MG Car Club of WA, John Hughes MG, Auto One Kalamunda, Snap Printing – Northbridge, Rivendell Estate Winery

UPDATE # 6 – SEPTEMBER 2023

The Plate Presentation for the 2023 MG Safety Fast Run will be held on 4th October!

The 2023 MG Safety Fast Run is nearly here!

The Plate Presentation will be held on **Wednesday 4th October** at the **Windsor Hotel** in South Perth. The Presentation will commence at 8:00pm and you are welcome to attend from 6:00 pm for dinner and convivial company. As in the past when you arrive at the Windsor Hotel venue go to the bar counter inside and request your Parking Permit for the carpark outside, to be placed on your car dash to provide free parking.

If you are unable to attend the Plate Presentation, please ensure you have delegated someone to pick up your Information Pack ('the Goody Bag') which contains your ordered Regalia, SFR Number Plate and/or 'stick-on' plate, SFR Information Booklet, Entrants List and Saturday Route Directions.

The 2023 MG Safety Fast Run will commence on Saturday 14th October with a delicious morning tea from **9:30am** to 10:30am at **Longriders Café** in **Dwellingup**. The programme for the weekend is in the SFR Information Booklet. For those entrants who prefer to join the Saturday drive at the lunch venue (Hugh Kilpatrick Hall in **Boyanup**), the Saturday route instructions will be included in the SFR Information Pack.

Ann Dawson and Heather Bentham have designed the room and table decorations for the Saturday Theme Night - *'The 1920s and all that jazz, celebrating the 100th Anniversary of MG'* – and an evening of great merriment and conviviality is assured.

Details and documents for the 2023 MG Safety Fast Run are available for download on the MG Car Club website www.mgccwa.com under *Events/Safety Fast Run*.
